Re: Proposed annexation to the City of Glendora,
"Easterly Annexation District No. 9"

Dear Sir:

At the meeting held on May 11, 1955, the County Boundary Commission reviewed the boundary description and map submitted by you with your letter of April 25, 1955, of the proposed annexation of territory to the City of Glendora.

Upon recommendation of the County Engineer, slight revisions of the boundary description were made to provide the definiteness and certainty required by Section 35002 of the Government Code. Said revisions were in the wording of the boundary description and made no change in the location of the boundaries as shown on the map.

With these revisions, the County Boundary Commission approved the boundaries of the above proposed annexation. A copy of the approved revised legal description is enclosed for your use.

Very truly yours,
